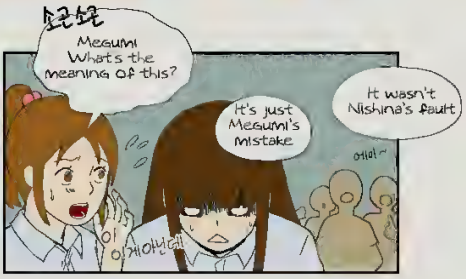
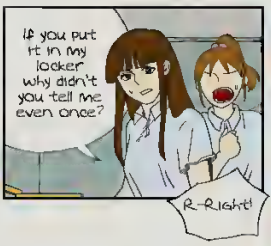
Students Geez



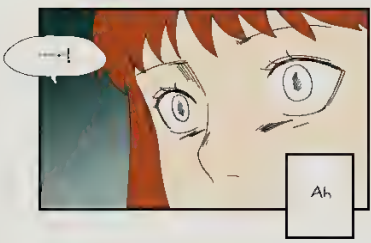
Bitch, This wasn't supposed to...



If you put it in my locker why didn't you tell me even once?
R-Right!

Because, I
We were waiting for a long time for you to return it!
I mean, don't people usually return things directly?

You wanted to make us into the bad guys so you purposely did this, right!?



……!
Ah

Right? She should have returned it properly
Bitch2.. Right? Right?
그치?
그치?
Th-
That's true..
I've made a mistake
No one has any interest on who is in the wrong
If I had known why Megumi got angry..
Then

I made a fool out of myself in my loneliness

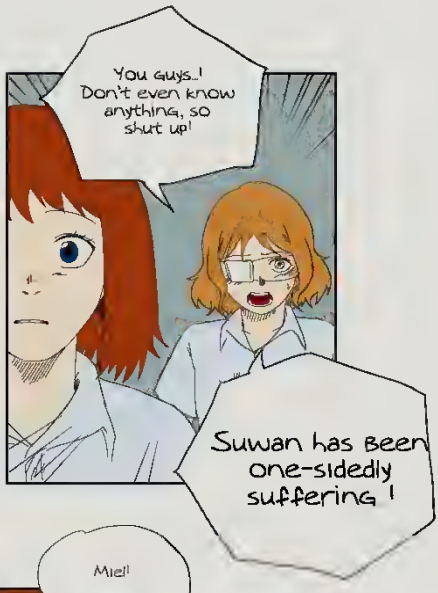
I have.
No reason to do such a thing..?

There's only one reason!

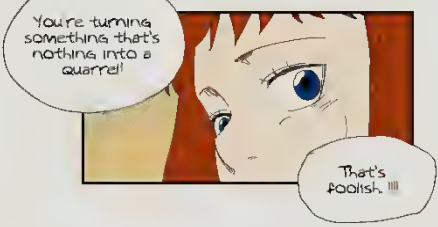
Because we broke off our relationship with you!

Are they having some sort of fight?
Dunno- she said they broke off ties?
Oh~
Oka Megumi is also weird Did she need to say that?
They way she said it was so shameful
But frankly
The way she acted is also a problem
You're absolutely right
Ash What do I do? My body's just shaking and my voice won't come out!



You guys..! Don't even know anything, so shut up!
Suwan has been one-sidedly suffering !

Mie!
Megumi, you're too much!
Doing such a thing to Nishina who's all alone without thinking about how embarrassing it is.

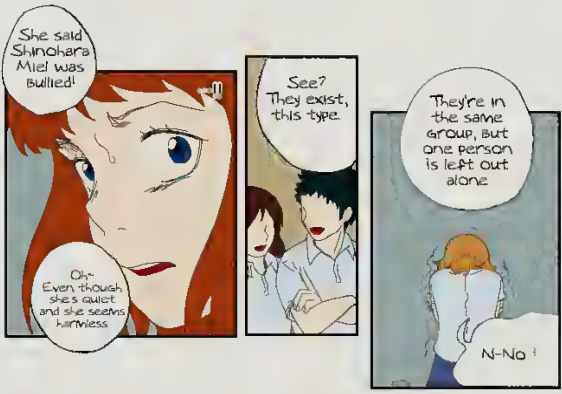


You're turning something that's nothing into a quarrel!
That's foolish !!!!

Mie!
Don't include yourself in this

I have no reason to speak to you!
Right!
Similar people getting along and protecting each other

You were bullied yourself in middle school!

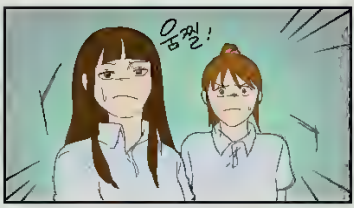


She said Shinohara Mie was bullied!
Oh~ Even though she's quiet and she seems harmless
See? They exist, this type.
They're in the same group, but one person is left out alone
N-No!

Ah! My friend in middle school told me that!
About that girl
She said she was a dark girl

Pfft She's certainly like that

You guys give me a break



움찔!

Girl: this is bad!

Why is it so noisy? Class rep! Did something happen?

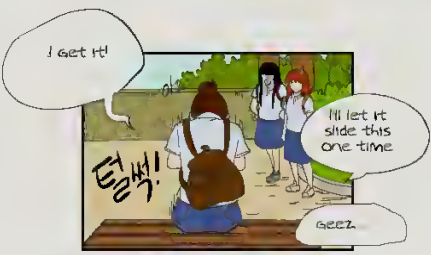
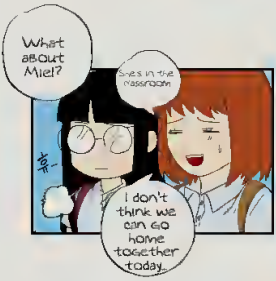
Do you plan on digging up something that's already done with?
....



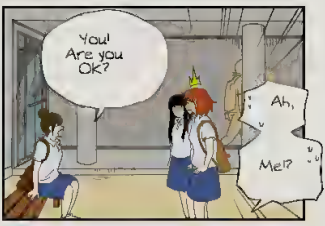
I get it!
I'll let it slide this one time
덜썩!
Geez.

You'll immediately blow up if you try to fix it



What about Miel?
-es in the classroom
I don't think we can go home together today

Hmm. And what about Suwan?
Eh?



You! Are you OK?
Ah,
Me!?

It has already become a rumor...
To do that to your friend...
You guys were friends before, right?

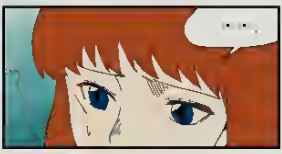
No!
I'm fine!
That's right It must've been a shock

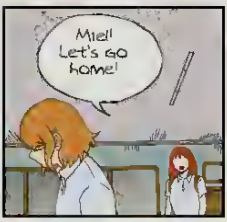
More than myself, I'm worried about Miel...
Kill! Seriously annoying, those guys!

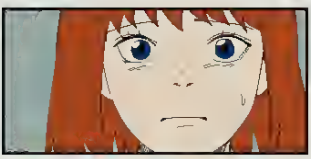
Anyway, we can't meet Suwan's boyfriend today...
You were serious!?
Of course

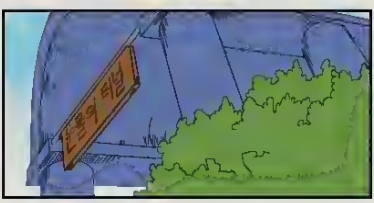
This time definitely Suwan's BF
I'll be expecting~
I said he's not my...

We're counting on you with Miel! See you tomorrow!
Yup! Later!





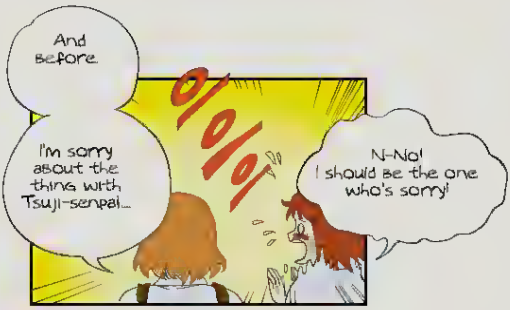




Sign Tunnel of Tears

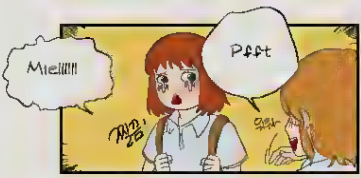
I should
Apologize, right?

Uhmm Miel..
Suwan, I'm sorry
I did something unnecessary and made a lot of noise..
Eh?

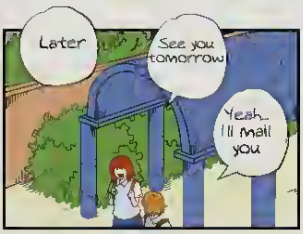


And before
I'm sorry about the thing with Tsuji-senpai...
N-No! I should be the one who's sorry!

But thanks to Suwan..
I was able to pass it to Senpai for the first time.
Thank you.. so much



Miel!!!!
Pfft

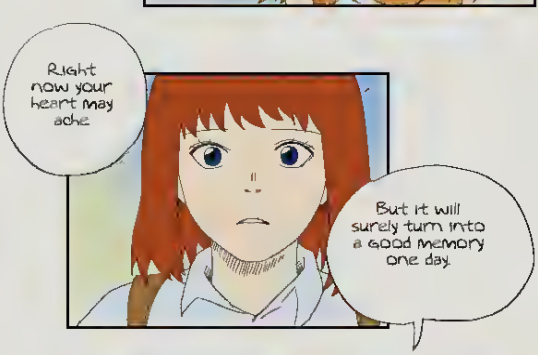


Later
See you tomorrow
Yeah.. I'll mail you

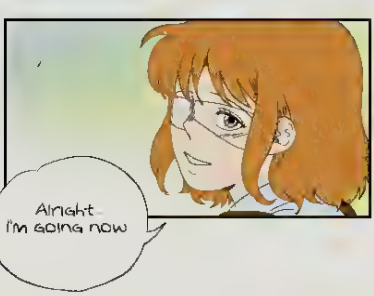
Ek!

...Suwan
I don't know if I can say this but...

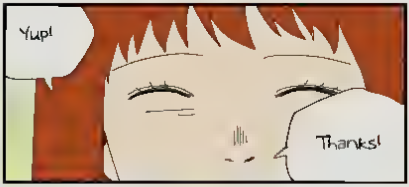
I'm really glad
That you broke off with them



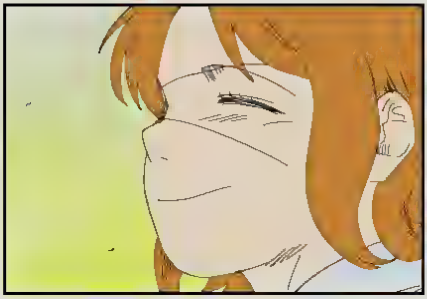
Right now your heart may ache
But it will surely turn into a good memory one day

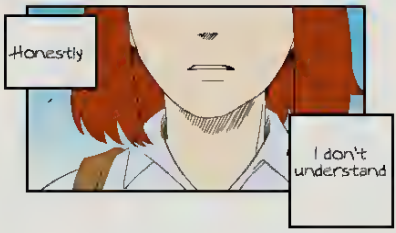


Alright.. I'm going now

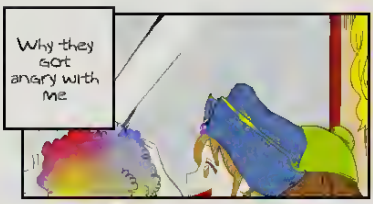


Yup!
Thanks!

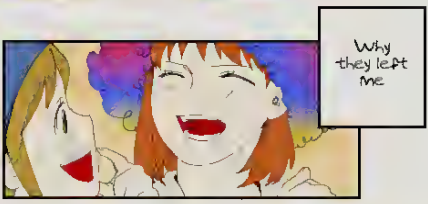




Honestly
I don't understand



Why they got angry with me



Why they left me

Even now
I

I have nothing but happy memories.

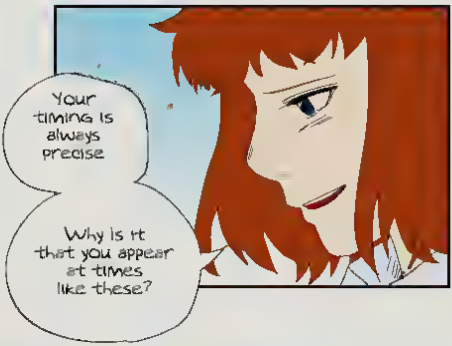
Don't cry

I'm not crying

Oh? You're right

From far away it looked like you were crying.

What's today's kisurumi?
Halloween 2nd Edition!



Your timing is always precise
Why is it that you appear at times like these?

It's okay.
Things will turn out well

What is this
It's strange..

Even though he may be a wierdo

Why do I feel this relieved..?
